

Missouri Evergreen Development Fund Policy

Missouri Evergreen Consortium Development Funds are held by the consortium's fiscal agent.

Missouri Evergreen will maintain a development fund to which a portion, not less than 1%, of membership fees will be contributed each year. These funds are reserved for the purpose of supporting the creation and implementation of new Evergreen ILS modules and/or special software-related projects deemed beneficial to the Missouri Evergreen Consortium.

This policy is to be reviewed once every three years and must be approved by the Missouri Evergreen Consortium membership by a simple majority of those attending the Consortium meeting.

Adopted by Missouri Evergreen: April 8, 2021.
