Cataloging Committee News:

- Missouri Evergreen User's Conference
 - April 13-14, 2023, Columbia, MO in the MOREnet meeting rooms
 - Event to be hybrid
 - Cataloging programs TBD
- Piracy policy (attached PDF) will be presented at next General Membership meeting
- Great listserv discussions:
 - Check that 300 field!
 - On-sale dates - Spare comes out tomorrow people!
 - [Uniform titles](#) (240) and [variant titles](#) (246)
 - Uniform titles are used to link together bib records that have been previously published under other titles or works.
 - Varying titles are used in a multitude of ways, like portions of a title, cover vs. tp titles, spelling out things, etc.
 - Can have both! A 240 can always be a 246, but a 246 won't usually be a 240.

Consortium Cataloger News:

 - Yes, I will be updating the documentation/videos to reflect the changes that have taken affect with upgrades

 - Dates?
 - Hoping to have most of the regional trainings done before summer reading kick-off. (The end of May.)

- Authority work
 - Liz has started to do some authority work in the subject headings. Catalogers/Patrons should not notice anything as it's happening in the background.

Cataloging Discussion:

- On-order bibs
 - Committee in discussion about how to best have these “stand out”. We are debating altering the 245 \$a to have the title all capitalized. When the first library with the item-in-hand edits the bib, they will correct this to sentence case, thus indicating that the bib is good to go. We will be getting documents together to help those libraries that do on-order cataloging and loading.
- New subject headings: (<https://classweb.org/approved-subjects/>) (<https://classweb.org/approved-subjects/2210.html>). Some of note:
 - LCSH/LCGFT - Manga
 - LCGFT - Large print books
 - LCGFT - Queer fiction
 - LCGFT - Several new Sex roles (changed from Gender roles)
 - LCGFT - Several new sexual orientation headings (Bisexual fiction, Aromantic fiction, Transgender fiction, etc.)
 - LCGFT - Several new film headings (Zombie films, Werewolf films, Ghost films, etc.)
 - LCSH - Eskimos changed on several occasions to specific tribes
- PARTS and using the unified parts document
 - Magazine parts
 - A/V material parts
 - Print material parts

Next Cataloging Meeting will be February 13, 2023 at 11:00 am via [Zoom](#).
